

Job Description: Lineman

This position is part-time only, max of 30 hours per week.

A lineman's duties include, but are not limited to:

1. Using excellent customer service skills to work with our fixed base and transient customers, as well as with vendors
2. Be able to clearly and effectively communicate with arriving and departing aircraft, as well as assisting with tie-downs
3. Be able to effectively and accurately use our accounting software and credit card machine.
4. Be able to become familiar with our fueling system, performing regular testing, and to assist customers with our self-service fueling system.
5. Be able to assume regular light "housekeeping" chores in order for our facility to stay clean and inviting.
6. Be able to perform other duties as they may arise.
7. Last, but most importantly, to be a good host to our customers.
